Welcome,

Can you believe it's already fall again! Remember what Brother Branham said about the leaves starting to fall off the trees before winter even gets here? Well that's what's happening now, and there's lots and lots of leaves here at Voice of God. It's also the one-year anniversary of Cub Corner magazine! Last fall we released our first issue ever, and dedicated it to the young, and young at heart. Since then, the number of kids across the world who have signed up in Young Foundations has drastically grown! We're thankful that the Cub Corner Magazine has proved to be so well-liked by you children, and a blessing to so many.

We have a blast making these magazines and hope you have fun reading them. There's always something new and exciting to see. This time, we have all the information about the first World-Wide Sponsorship project, along with your pictures from last issue's "Where I See God" photo contest, and much more.

God bless each of you,
Brother Joseph

BONANZA

a testimony about
God's healing power

I have a beautiful 2-year old horse named "Bonanza." The other morning when I went out to feed him I noticed that he was dragging his back leg behind him. I quickly called the vet to come and check my horse. After examining the horse, the vet was very concerned. She was afraid that it was going to be a permanent injury. I might never be able to ride my horse again, and he would have to spend the rest of his life in a stall. I was very upset.

After the vet left, my family and I went down to the barn and prayed for my horse. I then went and filled out a check for the healing of my horse. That night, when I went out to check on the horses, I noticed my horse was walking on his leg normally. Praise the Lord! The next morning, the vet came to check on him and was very surprised at his quick recovery. She said that I will be able to ride him in about one week. I am so thankful that God is interested in everything in our lives, and that He healed my horse!

Cub Corner is kicking off its' first Missionary Sponsorship project in a BIG way. Go to youngfoundations.org to find out how to get involved!

Peru is a vast country that ranges from the low-lying Amazon jungles to the frigid Andean highlands, but somehow Brother Branham's Message has found its way to some of the most isolated regions of this beautiful country. It is hard for believers there to hear Brother Branham's voice, because not many places have electricity. Our first sponsorship project will send 50 solar panels complete with batteries and power inverters to needy Message churches in Peru. Missionaries from all around the area will travel miles upon miles in order to greet needy believers with their new gift that you helped to give them.

With this Missionary Sponsorship, you will be helping the believers of Peru to HEAR HIS VOICE!

THE BIBLE

Over 6000 years ago, God created man. Since then, He has chosen men to write down his Word for us to read and follow. These were special men that were inspired by God to write exactly what He told them. There were 40 different men who God chose to write the 66 books of the Bible. Altogether, it took them over 1600 years. WOW! That's a long time.

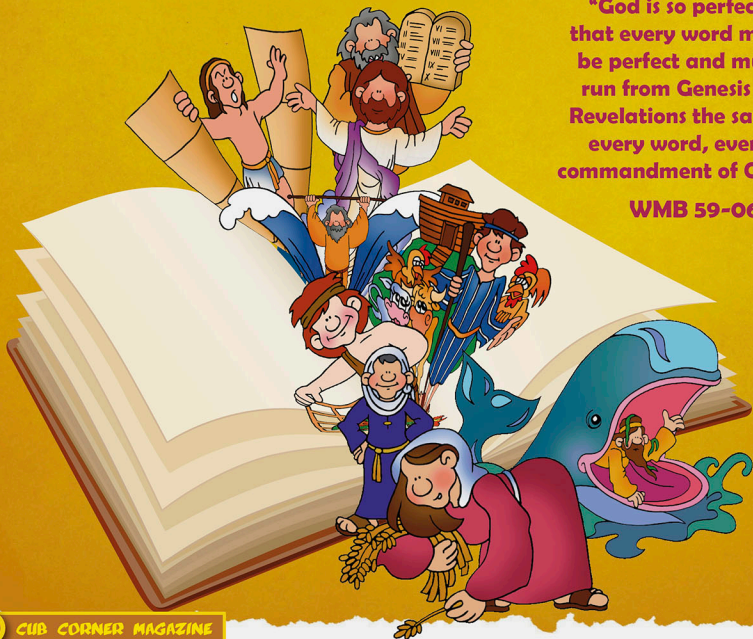

Although God chose men to write the Bible, the words came from God Himself. So even though many men wrote it, the Bible only has one Author: God. That explains how the entire Bible is perfect, from beginning to end.

Brother Branham teaches us that God never changes His way of doing things. If he told someone one thing, 6,000 years ago, it is just as true today as it was way back then!

*Jesus Christ the same yesterday, and to day, and for ever
Hebrews 13:8*

**"God is so perfect,
that every word must
be perfect and must
run from Genesis to
Revelations the same:
every word, every

the old testament

There are a total of 39 books in the Old Testament. It starts with Genesis and ends with Malachi.

In the Old Testament, God tells about Adam and Eve, Noah, Moses, David and Goliath, and a whole lot of other awesome stories.

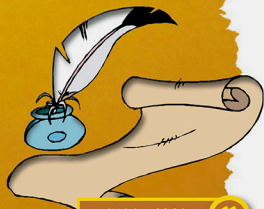

In the Old Testament, Jesus wasn't born yet, but God was still just as real!

the new testament

The New Testament contains the 27 books of the Bible that were written after Jesus was born. The first four books are Matthew, Mark, Luke, and John. Most people know them as the four Gospels. All four of these pretty much tell the same story, but they were each written by different men who watched Jesus and wrote about the things they saw Him do.

God used the writers of the New Testament to preach the glorious Gospel of Jesus Christ. They got to write the amazing news that "He's alive! Jesus has risen from the dead!"

ARMOR OF GOD

In the book of Ephesians, Paul tells us to put on the armor of God. Although it may be fun to dress up in armor and swing a sword and shield, Paul was speaking of something completely different. He said to use the Sword of the Spirit, the helmet of salvation, and the shield of faith to protect us from our enemies. With these weapons we cannot be defeated, because they are God's weapons.

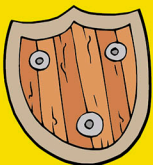

If you read your Bible and pray every day, you will be armed and ready for battle.

Brother Branham said:

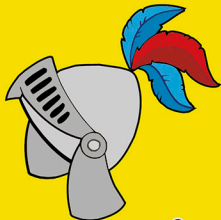

“God going before the battle, then let's rise and put on the full armor of God, pull the sword, go after it. The battle belongs to us then.” - 53-0327

DO YOU KNOW?

Without looking back at the text, can you match the armor with the correct description?

You and a friend get a pencil and piece of paper. Go somewhere together and find something you can both watch. Write down what you see, but don't talk to each other about what you are writing down. When you are done, compare notes. You will notice that even though you were both watching the same things happen, you wrote them down completely differently.

This game shows that people see things in different ways, and have different stories, even when they are looking at the same things. Matthew, Mark, Luke, and John saw the very same things take place, when they were with Jesus, but they each wrote it down differently. It's still all the truth, just from different eyes. It's all God's Word.

"He said his eyes had
been bothering him since
the heavenly vision."

Paul

A NEW TESTAMENT PROPHET

"hook-nosed"
57-0922

Paul was a true believer in Jesus, and a prophet of God. But at first, he didn't believe. In fact, Paul hated all those who did believe. He hated Christians and thought they should have to die for believing Jesus.

Then, one day, everything changed. It was about 11:00 and he was riding his horse to a city called Damascus when Jesus came to him. He appeared in That same Pillar of Fire that led the children of Israel through the desert. It was brighter than the sun, and knocked him right off of his horse! Then, It spoke to him and said, "Saul, Saul, why persecutest thou Me?"

Paul suddenly understood that Jesus was real, so he quickly changed his ways and became a believer! After that, God used him to perform many great miracles.

Paul wrote a lot of the New Testament that we read today. His books remind us that ladies should have long hair, and men should keep their hair short. He taught us that we should love one another just like Jesus loved us.

Because of God's love, Paul went from persecuting other Christians to preaching the Gospel of Jesus Christ.

The books of Paul are:

Romans
1 Corinthians
2 Corinthians
Galatians
Ephesians

Philippians
Colossians
1 Thessalonians
2 Thessalonians

1 Timothy
2 Timothy
Titus
Philemon

Moses

"an old testament prophet"

Moses was a mighty prophet in the Old Testament Bible. His journey through life started when he was just a baby. He was put into the dangerous Nile River by his family, and found by the daughter of the great Pharaoh of Egypt. Moses was raised in Pharaoh's palace given the best of everything. Brother Branham said he was "taught in all the wisdom of the Egyptians." He was a great general in Pharaoh's army.

One day, God took Moses out of Pharaoh's army, and made him the general of His army. He went into the desert and met God at a burning bush. God told Moses to go back to Egypt and deliver his suffering people, the children of Israel.

Moses obeyed every Word that God commanded him to do, and even though it wasn't easy, the Pillar of Fire guided him as he led 2,000,000 Jews out of bondage, across the Red Sea, and into the safety of the wilderness.

God used Moses to write the first five books of the Old Testament. He wrote about Adam and Eve, the story of Noah, and a lot of other amazing stories. He even wrote many promises about the coming Messiah, Jesus Christ.

PREACHING THE SAME THING AS PAUL

The great Pillar of Fire that led Moses and the children of Israel through the wilderness journey, is the same Pillar of Fire that met Paul on the road to Damascus, and the same One that appeared over the head of Brother Branham.

Just like the Old Testament prophets, Brother Branham was a prophet of God who was led by that same Pillar of Fire all through his life. He preached the Gospel of Jesus Christ, just like Paul preached it.

Brother Branham and the Apostle Paul both traveled all over the world and told everybody they could about Jesus. They preached against sin and evil, but a lot of people hated them both, and treated them very badly. That didn't stop them though! They weren't about to let a few people get in their way of bringing God's Message, so they just kept on preaching. Even though there were many who wouldn't believe them, Paul and Brother Branham stayed true to God. They had the Word of God, and their mission was to get It to the children of God.

Back in the old days of the Bible, they didn't have tape recorders, so they had to write everything down. But today we can hear the actual Voice of the real prophet!

We believe in what the apostle Paul and Brother Branham said, and "we are resting on that."

"Then if Paul makes it, I will too, because I preached the same thing he did, without compromising on one word."

Brother Branham loved to be out in nature. He could get close to God out there. He would put on his old cowboy hat, and just get away. A lot of times, the Lord spoke to him when he was out among God's creations. Help finish the drawing by connecting the dots.

GOD'S CREATIONS

CROCS & GATORS

When Moses was just a baby, Pharaoh made a law saying that all newborn Israelites shall be put to death. It was a hard time for the Israelites, but God had a plan for them. To try to save his life, Moses' mom had to place him in a little basket and put it into a river with huge alligators.

God protected Moses and steered the basket right up to Pharaoh's palace. Moses grew up with Pharaoh and would become the great deliverer of the Israelite people. God saved him from the giant alligators, guarded him in the house of Pharaoh, led him through the desert, and brought him back to deliver His people. And it all started in one little basket.

Brother Branham said:

"And every one of them old alligators would come up to that little bitty basket going down the river, you know why they couldn't do it, why they couldn't eat that little baby? There was an Angel setting there: 'Get away from here.' Why? God gives His Angels charge to watch over His people. Don't you get scared, honey. God's watching you. The devil may try to do something to you, but God's greater."TM

Alligators R #1

CROCODILES

AND

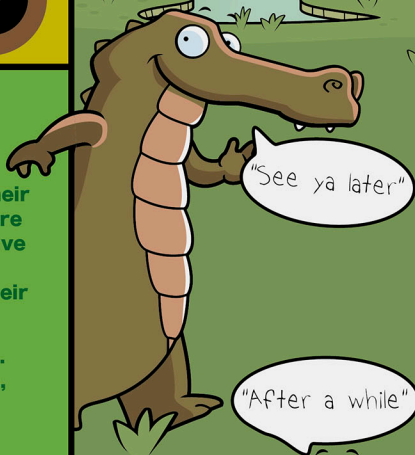

ALLIGATORS

What's the Difference?

Have you ever wondered what the difference is between a crocodile and an alligator? Sometimes it can be hard to tell, but nearly all crocodiles have a pointed head and snout, with their teeth sticking out when their mouths are closed. Alligators on the other hand have a more flattened head and snout, and most of their teeth are hidden when their mouths are closed.

One of the main differences is the size. Alligators usually only get 15 feet long, but crocs can get 20 feet in length.

Nearly all alligators live in fresh water in the Americas. Crocodiles live in both fresh and salt-water. The salt-water crocs are the largest reptiles left on earth, and the most aggressive of all crocodylians (alligators and crocodiles combined). We don't know what type of gator was after baby Moses, but we know what happened! God sent His angels to watch over him, because God was going to use him to deliver His people, the children of Israel.
