

THE  
FOUR  
HORSE  
RIDERS  
JOHN  
THE REVELATOR

# WELCOME!

Hi everyone. Do you like the new look of our logo? Over the past several years we've received some great feedback about the magazine, and we're trying our best to make each issue better than the last one. There are a few other changes in this issue, we hope that you like them. Please continue to let us know what you think!

In this issue, we are talking about some pretty grown-up things, like the Book of Revelation. Brother Branham said that the two books that the devil hates the most are Genesis and Revelation, so we want to do our best to REALLY learn all about those Books. Then, when the devil tries to attack us, we can tell him that we know who he is and what his tactics are, because we read about him in the Bible.

The Book of Revelation is a very mysterious Book. Jesus' disciple, John, wrote it while he was imprisoned on the Island of Patmos. Although John was the one who was holding the pen writing the Book, Brother Branham said that Jesus is the true Author of It. It was the only Book in the Bible that Jesus put His Own seal upon!

We are going to be a little different this time. I'm in this magazine 25 times, but I might not be on every page. If you really need help, there is a hint on page 27.

Dear Cub Corner,

I would like to share a testimony with you. We were going to the dentist and I knew I had a lot of cavities. I prayed and told the Lord that if He would take away my cavities I would write to Cub Corner. I went to the dentist and I had NO CAVITIES! Praise the Lord I am healed. God bless you.

Your sister in Christ,

- Madelyn

Thanks for sharing your testimony with us, Sister Madelyn. Always remember what God did for you; He is our Healer!

Dear Cub Corner,

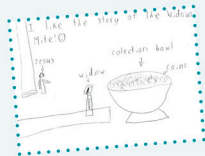

I love these magazines a lot. These magazines are fun! How do you make these magazines? I enjoyed reading about Samson. I learned about the judges, I never knew that.

By the way I want to come to Still Waters camp..... See you in 6 years (whoa that's a long time) and how do I get to still waters camp?

Love, Noah

Dear Cub Corner,

I just got my Cub Corner magazine, and I decided to give you this picture.

I really try to impress God, and I am really interested in His creations. I am really confused on how something can have no beginning. I really do want to be an obedient Christian child. If I could I would knock Satan clear out of his mind. It would serve him right if he ever got eaten. Well, got to go. Bye, God bless you all,

- Olivia (9 years old)

Dear Olivia,

You are not alone when you say you can be confused on how something can have no beginning. Us humans can't really understand it. Even Brother Branham said so.

Brother Branham said:

**"And there, that great space where no one can fathom in their mind beyond that, that space, eternity." 50-0815**

We think that you are right about Satan. We would like to knock him out of his mind too! Let's just keep punching him with the Word! Thanks, Olivia.

-CC

Noah, we are very happy you think the magazines are fun! It's sort of complicated how we make them, but mostly we just give monkey a box of crayons and he does the rest. (Just kidding.)

You can see a few of the steps of making the magazine on pages 18-19.

We can't wait to see you at Still Waters! 6 years isn't that far off! Don't worry, you will know how to get to SW when the time comes :)

## How To Draw a BEE

Top it all off with some wings, antennae, and color!

Now it's time for his body and stinger!

Draw in his head and cheeks!

Now give him a big smile and pupils!

Let's start off with his eyes!

**D**eep in the desert of Southern Arizona, there is a place called Sunset Mountain. It is a place where Brother Branham loved to go hunting, and more importantly, get away from the world while getting closer to God.

Sunset Mountain isn't a towering peak that stands out over the desert floor. It is more like a ridge that blends in with the hundreds of other ridges in the area.

Located about 40 miles northeast of Tucson, Sunset Mountain is out in the middle of nowhere. It has rocky ridges that look over dry, sandy river beds, or "washes." It is a beautiful spot in the desert that none of us would have ever heard of, if God had not chosen it as a special place for His prophet.

In early 1963, Brother Branham was at Sunset Mountain hunting javelina with his friends, when something amazing happened. A great blast came so strong that Brother Branham thought he had been shot.

*Even today, God is using the tapes to continue to show us His Word. You can even hear Brother Branham preach the Seven Seals for yourself! They were preached in March, 1965 on these tapes:*

63-0318 The First Seal  
63-0319 The Second Seal  
63-0320 The Third Seal  
63-0321 The Fourth Seal  
63-0322 The Fifth Seal  
63-0323 The Sixth Seal  
63-0324M Q & A On The Seals  
63-0324E The Seventh Seal

Seven Angels came down and visited Brother Branham. He was to return home. The Lord was ready to reveal the Seven Seals: mysteries that had been hidden for thousands of years.

God's prophet quickly announced that he would be preaching a series on the Seven Seals in the Book of Revelation. People came to Jeffersonville from all over the country to hear these great mysteries being revealed, and no one left disappointed. Every day, God revealed more and more; after thousands of years, the hidden secrets of the Seven Seals were finally made known to God's chosen people.

# Creations

This past winter, Brother Joseph was very excited to announce a **new project** for the local Cub Corner and Young Foundations kids. It's called "Creations" and here is how it works:

**First**, we transformed a warehouse into a wood shop. We made the offices into classrooms and recruited a small army of volunteers to help teach things from sewing to woodworking.

**Then**, we made a schedule of classes to be taught, and we got to work.

**It** has been great! The shop has been buzzing with the sound of saws, while the

classrooms continue to produce beautiful stitch work, wonderful paintings, and lots of giggles. Young people are making bird houses that will last a season or two, and friendships that will last a lifetime.

**AT CREATIONS**, it always starts with the Word! Every class starts with a prayer, Scripture reading, and a quote from Brother Branham.

Here is a lesson that one of the wood shop teachers taught:

Try to cut a string exactly 12 inches long without using something to measure with. Now use your tape measure and see who cut their string the closest.

The tape measure is the absolute. Without it no one would know who's string is the closest. To us, the Word is our Absolute. Without It, we really wouldn't have any idea what was right and wrong.

If you want to do some of the **same** crafts that they are doing at **Creations**, here is a good start. We bought **this** birdhouse from Hobby Lobby, but you can use a different one if you want.

<http://shop.hobbylobby.com/products/wood-birdhouse-kit-314732>

## MAKING THE BIRD HOUSE

Step 1: Take all the parts out of the box.

Step 2: Set the nails in the bottom board.

Step 3: Attach the front and back pieces to the bottom board with the nails and some glue.

Step 4: Add the two side walls.

Step 5: Attach the two big roof boards.

Step 6: Cover the gap in the roof with the top board.

Step 7: Install the bird stick under the opening and screw in the hook on the top.

Step 8: Paint your awesome new birdhouse!

**WE ARE VERY GRATEFUL** to have a lot of believers in the Jeffersonville area who make this possible, and we hope that this gives you an idea of something you can do with the believers in your area. Maybe you can invite your Sunday School class to meet at a park sometime to paint, or even build your very own birdhouse.

If you decide to do something, make sure to let us know what you did! Ask your mommy or daddy to help you set something up, and make sure to take lots of pictures and send them to us!

## PATMOS

### THE YEAR OF OUR LORD

A.D. 95 - 96

John the Revelator is the same John that was with Jesus when He walked on the earth. You can read about him in the Gospels. He was a very young disciple then.

Years later, after Jesus had risen from the dead and went up to Heaven, Christians were being bitterly persecuted.

John was boiled in hot oil for 24 hours for preaching the Gospel, but he wasn't even harmed at all. God protected His servant; He still had work for him to do.

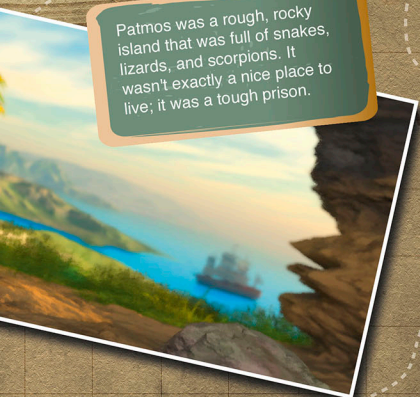

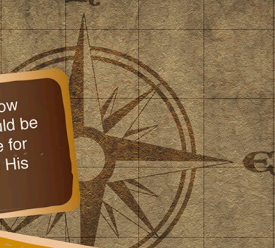

Those who hated John put him on a boat and sent him to the island prison of Patmos. They thought that they would finally be finished with John. On Patmos, he would never be able to further the Gospel of Christ. They were wrong.

# HIN EVELATOR

R

Patmos was a rough, rocky island that was full of snakes, lizards, and scorpions. It wasn't exactly a nice place to live; it was a tough prison.

Little did they know that Patmos would be the perfect place for God to speak to His prophet.

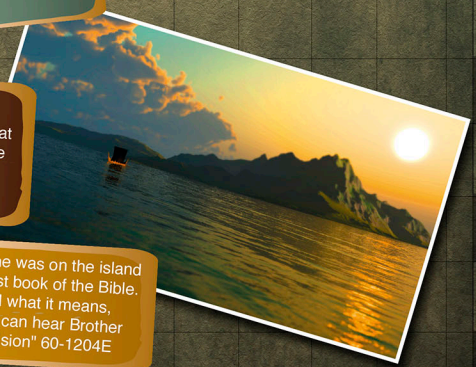

John could have felt sorry for himself; he was separated from everything that he had. His whole life was left behind, and he was stuck on this island.

But John didn't get down, he got in the Spirit. God spoke to him and told him to write down the things he heard and saw.

John heard about the end of the world, and what the end time would be like. He wrote it all down, just as he was commanded.

While on the island, John continued to see visions and Angels. He saw hidden things that were to be kept secret until the end time. The scrolls he wrote on are what we now call the Book of Revelation.

You can read what John wrote down while he was on the island of Patmos. The Book of Revelation is the last book of the Bible. It is very interesting, but to really understand what it means, you will need to listen to God's prophet. You can hear Brother Branham talk about John on "The Patmos Vision" 60-1204E

# THE FOUR HORSE RIDERS

In the Bible, the Book of Revelation tells about when Jesus will return to earth, and the ending of time, but it is written in a mysterious way. People studied it for years and years, but they still didn't know what it all meant.

Then God sent a prophet! God used Brother Branham to reveal the mysteries that have stumped people for thousands of years!

One of those mysteries, was the four horse riders of Revelation Chapter 6. For years and years, they were "sealed" up, so that no man could know what they meant, but now even you can know! Here is a very quick look at them. You should get your parents to help you understand them, because there is a lot to learn.

1<sup>st</sup>

## REVELATION 6:2

And I saw, and behold a **WHITE HORSE**: and he that sat on him had **A BOW**; and **A CROWN** was given unto him: and he went forth conquering, and to conquer.

NOTICE: THE WHITE HORSE RIDER HAS A BOW, BUT HE DOESN'T HAVE ARROWS. BROTHER BRANHAM SAID HE'S A **BLUFFER AND A HYPOCRITE**. HE IS VERY MIGHTY IN HIS CONQUERING POWER, BUT HE IS A **DECEIVER**.

BROTHER BRANHAM TAUGHT US THAT HE GOT HIS CROWN FROM THE NICENE COUNCIL IN THE YEAR 325. THE WHITE HORSE RIDER IS THE ANTICHRIST! IN THIS SCRIPTURE HE DOESN'T HAVE THE POWER TO KILL, BUT HE GETS THAT POWER VERY QUICKLY.

2<sup>nd</sup>

REVELATION 6:4  
And there went out another horse **that was red**: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: **and there was given unto him a great sword**.

He got a great sword - that's true power to kill

This time it's the **SAME RIDER**, just on a **DIFFERENT HORSE**. The horse changed from white, meaning innocent, to **RED**, meaning bloody.

He is still the antichrist, but now he has power to kill Christians:

*"From St. Augustine of Hippo until 1586 on the Roman martyrology, the Roman Catholic church put sixty-eight million Protestants to death"*

63-0319

3<sup>rd</sup>

### REVELATION 6:5&6

And when he had opened the third seal, I heard the third beast say,

**COME AND SEE**

And I beheld, and lo a **BLACK HORSE**;

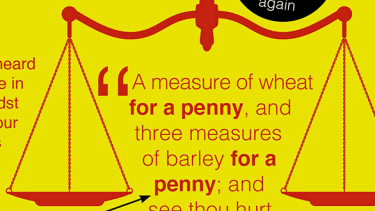

and he that sat on him had a pair of **balances** in his hand.

the rider switched horses again

And I heard a voice in the midst of the four beasts say,

“A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine”

The **black horse** is the **dark ages** where there was almost no hope for the few believers that were left.

The **balances** showed how the money of the world went to the church.

Represents the church **charging for** the things that were the "hope of life," like **prayer** and other sacred things.

The **oil and the wine** were **God's Holy Spirit**. They showed the power and joy that came from being with God.

4<sup>th</sup>

### REVELATION 6:8

And I looked, and behold a

**pale horse**; and his name that sat on him was Death, and Hell

followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

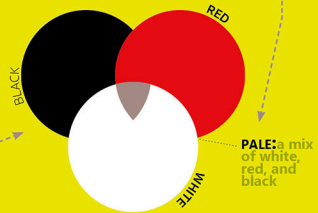

Still the **SAME** rider

Now the **rider** moves to a **pale horse**.

Pale is the mix between white, black, and red.

**It is a deathly, mixed up color.**

**Death** represents **Eternal separation** from God.

This color is mixed up in

politics

national powers

religious powers

demon powers

Now you know about the **FOUR HORSE RIDERS**

way to go

!

There is a lot that goes into making a magazine.

We thought you might like to know

# HOW WE DO IT

over here at Cub Corner.

IT ALL STARTS WITH 28

A PLAN IS MADE FOR THE  
MORE COMPLICATED 3D PAGES.

The 3D is  
coming along,  
we add the  
text to make  
sure it all fits  
just right.

We research  
the text to  
make sure to  
stay right on  
the Word. It  
usually starts  
with an outline  
of the subject,  
followed by  
Scriptures and  
Brother Branham  
quotes. Then we  
take the outline  
and make it  
into a story.

THE 3D IS ALMOST

OH...YEAH... I CAN'T BELIEVE I DIDN'T NOTICE THAT.

THE TWO BUDDIES PLAYED AND PLAYED WITH THEIR CARS, UNTIL FINALLY IT WAS TIME TO GO HOME.

THE NEXT DAY, THE TWO PALS WERE RIGHT AT IT AGAIN.

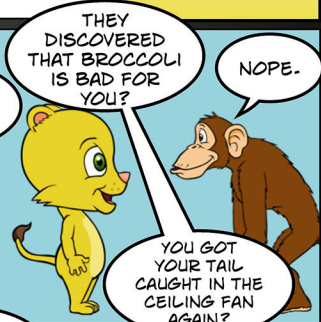

HEY CUB! GUESS WHAT?

THEY FINALLY MADE MACARONI FLAVORED POPCORN?

AFTER PLAYING RACE CARS FOR A FEW MINUTES, MONKEY GOT BORED WITH HIS NEW CAR.

HEY CUB, DO YOU WANT TO GO TO THE STORE?

HE'S WEIRD.

I'M BORED, I THINK I NEED A RED CAR.

I DON'T THINK A RED CAR WILL MAKE YOU HAPPY, MONKEY.

REALLY, WHY?

DID YOU EVER HEAR BROTHER BRANHAM SAY "HAPPINESS DOES NOT CONSIST OF HOW MUCH OF THE WORLD'S GOODS YOU OWN, BUT HOW CONTENTED YOU ARE WITH THE PORTION THAT'S ALLOTTED TO YOU"?

OH, I GET IT. I DON'T HAVE TO ALWAYS GET NEW THINGS TO MAKE ME HAPPY. THANKS CUB!

HEHE, SURE THING, PAL.

CUB, WILL YOU PLEASE TURN OFF THE FAN - I'M GETTING REALLY DIZZY!

PAUL, IN THE BIBLE, SAID: "NOT THAT I SPEAK IN RESPECT OF WANT: FOR I HAVE LEARNED, IN WHATSOEVER STATE I AM, THEREWITH TO BE CONTENT." PHILIPPIANS 4:11

# BEES

“Just like geese, ducks, anything, everything ha... bees, everything has a leader. If the queen bee dies, you know what happens. The leader duck dies, they have to get them

another one. That they just have to have a leader. And man's got to have a leader; and the Leader is the Holy Spirit.”

54-0103E

After Jesus rose from the grave, He asked His disciples for some food. They gave Him broiled fish and honeycomb. Bees made food for JESUS!  
Luke 24:41-42

What do bees use to do their hair?  
A honeycomb!

Bees have an excellent sense of direction. They can find their way back to food, even if they have to take a different route each time.

A honey bee can fly up to six miles, and as fast as 15 miles per hour.

The worker bees do a dance to give directions of where food is located.

The honey bee's wings move incredibly fast, about 200 beats per second. That's what makes the buzzing sound!

Every bee colony smells different to a bee, this is how they tell where they live!

Bees sometimes fly 5 miles or more to find their food. That is a lot of wing flapping!

Honey bees have 5 eyes.

Honey Bees have 2 sets of wings, and 6 legs.

During winter, honey bees feed on the honey they collected during the warmer months. They form a tight cluster in their hive to keep each other warm.

Beekkeepers only take the honey that the bees do not need.

There are three kinds of bees in a hive: Queen, Worker, and Drone.

Here is a COOL fact:

"God's in His trees. God's in the sunset.  
God's in the little bees. How did you get air condition? Found it from the bee. How he packs the pollen, goes in there... He only lives six weeks. His little wings flops back and forth all night long where he takes water, some of them brings water, and he works himself to death. His little wings gets brittle, he drops off, and the birds pick him up. Six weeks he... is—is his normal life for a bee. And he... and how that God moves through His nature, and watches it, how He does it."

54-0422

Smoke is used by beekkeepers because it calms the bees down. This keeps the bees from getting too angry and stinging.

Bees and honey are mentioned in the Bible a few times. Once when Samson killed a lion, they made a hive in the carcass. Samson even made a riddle about them. How many times can you find where the Bible talks about bees?

## THE WORKERS

Worker bees only live to six weeks. As its name suggests, the worker bee is the one that gets stuck doing all the work. Kind of like your brother or sister feels when you make them clean up all by themselves. You will never hear a worker bee complain though. They are hard workers and seem to enjoy it. Each bee only produces 1/12th of a teaspoon of honey in their entire lifetime! It may not sound like a lot, but when they all work together they produce enough honey to keep the hive alive throughout the winter. So next time you have to clean up a messy room, remember how the bees work together. If every person does their part, a big job can get done much faster. If you don't have any brothers or sisters, well, maybe you should hire some bees!

## THE QUEEN

The queen bee doesn't do any of the work. The only thing she does is lay eggs. In fact, she can lay 200,000 eggs in a single year! The queen also has the longest life out of all the bees. She can live up to 5 years.

## THE DRONES

All boys are drones and all drones are boys. If you run across a group of them you don't have to worry about getting stung because drones don't have stingers.

They only live about 60 days.

It would be weird to feel like an old man when you are only two months old!

In the last issue of Cub Corner Magazine, we challenged you to "finish the story." We wrote the first half of the story and you finished it for us.

We got a whole bunch of great stories, but we could only pick one winner. So here it is - congratulations Sister Faith from PA! Here is your story in Cub Corner Magazine, plus we added 20 YF points to your account!

**L**AURA AND PAUL WERE BROTHER AND SISTER. They had a lot to be thankful for, and they knew it, but sometimes God finds a way to remind us that He is in charge and EVERYTHING that we do should be in His perfect will.

One day Laura and Paul ran into their house as fast as they could. "Mommy, Mommy!" They yelled. "You just gotta see them; they're the cutest things in the whole world!" Laura exclaimed. "Yeah Mommy, and they are great hunting dogs when they get big. I'll take care of it, Mommy, I really will!"

Their neighbor's dog had puppies and they

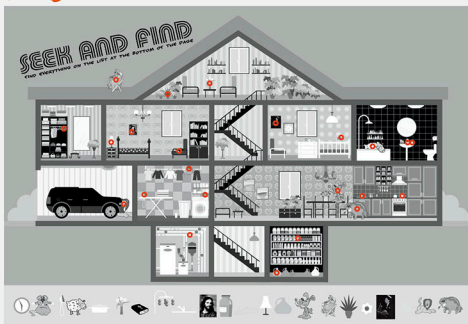

wanted to give the pick of the litter to Laura and Paul. The kids' Mommy had to admit that they were pretty cute. "IT'S FREE MOMMY! We don't even have to pay for it!"

Mommy told the kids that they would talk to Daddy about it when he came home. You could feel the anticipation in the air all day long, but when Daddy finally came home he didn't seem nearly as excited about the idea as Laura and Paul were.

As they sat down for supper that night, Daddy didn't exactly say "no" but it sure wasn't a "yes" either. Daddy said, first they should...

...pray about it. Then Daddy reminded them of what Bro. Branham said, "Remember on Sunday night what Bro. Branham said, 'Don't make any decisions too harshly or too quickly, without first considering God about it.'" Both kids hung their heads, and then Paul said, "How will we know what He wants us to do?" "It's like this: you know we need a dog house before you get a dog, so if you two can find one, then we will know that He wants us to have a dog." "Ok Dad, we're fine with that," said Laura. Then Dad said, "But remember to pray about it! And it has to be a cheap one." That night both kids prayed about it. The next week on their way home from school, Laura suddenly stopped in her tracks; there in their neighbor's yard was a dog house, for FREE! As fast as they had stopped, they ran for the house. "Mom we found a dog house for FREE, right in Miss Stevenson's yard!" That night they got the dog house and a male puppy. They named it Fritz, after Bro. Branham's dog; and they never forgot that quote from Bro. Branham that their dad had told them.
