## Greetings in the Name of our Lord Jesus Christ!

Welcome to our 28th issue of Cub Corner Magazine. This is a very special edition, because we have the chance to tell you a little more about our Lord Jesus and His prophets.

I love to hear about John the Baptist, and his parents, Zacharias and Elisabeth. They were dedicated believers of God, and God honored them by giving them a son – not just any son, a prophet son!

I especially love the story about how the Angel Gabriel visited Mary and told her all about the very special Son that she would have. How incredible it must have been for her when she realized that she was the girl who God chose to be a mommy to the Messiah!

I can just imagine myself on the banks of the Jordan River on the day that John the Baptist baptized Jesus. I can see myself listening to him preach and watching him baptize people as Jesus approached. Can't you just see it? Jesus was the Word of God made into a Person, and John the Baptist was God's prophet. It was the Word coming to the prophet! What a day that was!

Then, about 2,000 years later, Jesus came down to a river once again. This time, He came in the form of the Pillar of Fire, and instead of the Jordan River, it was the Ohio River. Once again, His loyal prophet, one with the same spirit as John the Baptist, was baptizing people when Jesus made Himself known. It was the Word coming to the prophet, all over again!

I hope that you enjoy these stories, and more, in this edition of Cub Corner Magazine. God bless you!

# Dear CC

Dear Cub Corner,

My name is Marissa and I am eleven years old. I attend church at BSWT (Believer's Spoken Word Tabernacle) in Sheffield, Ohio. I live in Orrville, Ohio. For a while now I have been wanting to make something for Cub Corner magazine, but I couldn't think of what to make. Just today I was taking apart a woolly mammoth I had made of clay and I thought of making a cave instead. Then I thought, "I will make this for Cub Corner!" So I thought of a story that went along with what I had already made. Here it is:

## **A PLACE OF REFUGE AND REST:**

This is the story of when Elijah was running away from Jezebel. He found a cave and was sleeping in it when an Angel of the Lord came and woke him up. When Elijah awoke he found food in front of him that God's Angels had made for him.

Dear CC,

My name is Hattie Sosia and I am 12 years old. I live in Baltimore Maryland. I really enjoy the CC magazine, it's actually an inspiration to me, and I really support it. I would like to share a testimony.

Back when I was 10 I really loved the Lord I was praising and singing for Him, but one day I was sick, I was vomiting and had a headache. I didn't really think it was worth praying and praising the Lord for giving me another day to live.

I just thought of the negative side of being sick. I fell into a deep sleep and slept for almost two hours. I tried to wake up but I couldn't even move, I was sweating really hard and decided to pray. I don't remember how I prayed but I ended saying in the Name of the Lord Jesus Christ, and I moved. I was surprised and from that day on I learned a lesson: if you are sick, don't think of the negativity, just pray and know that God in Heaven cares about you.

# HORSE GAMES

Brother Branham tells the story of a man who needed to get a ride from a team of horses up to the top of the mountain.

The first horseman told him that he could gallop his horses around the edge of the cliff and get within six inches of the edge without falling off!

The second man told him that he could run his

horses within four inches of the edge!

The third man told him that he is a good horseman also, but he stays as far away from the edge as he can!

The third man was cautious so he was the one who got hired for the job!

Brother Branham told us that sin is the same way. We don't want to see how close we can get to sin without falling off, we want to stay as far away from it as possible!

## Try to get through the mazes.

Just remember to stay as far away from the edge as you can!

# BICYCLE

## game

You can listen to Brother Branham tell this story for yourself on:

63-0803B Investments

Did you ever hear Brother Branham tell the story of the kid who won a brand new Schwinn bicycle?

There was a contest to see who could ride their bicycle all the way down a long wooden plank and not fall off. There were many good riders who couldn't do it. Then, up came one boy who wasn't a very good rider at all. He got on the plank and

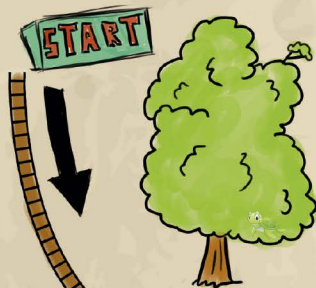

rode down the whole thing without falling off! All the other boys gathered around him to ask him how he did it.

The boy told them the secret was to not look down right in front of the bike, but just concentrate on the end!

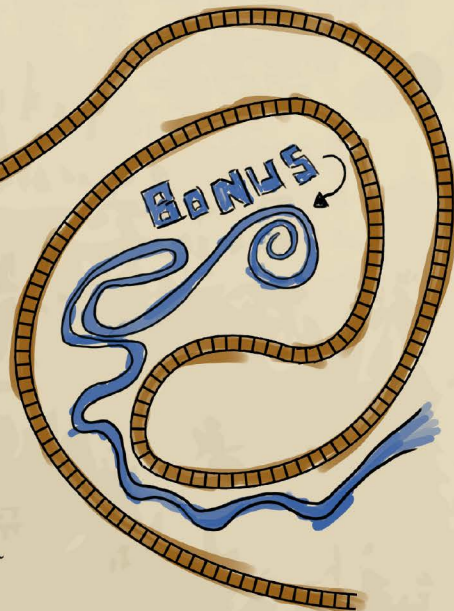

It's the same with us. We should always be looking toward our end goal - Heaven! When things get hard, just keep your eyes

on Jesus and look forward to how wonderful Heaven will be!

See if you can draw a line from one end of the plank to the other without touching the sides. Make sure to stay right in the middle!

See if you can make it all the way to the other side without touching the edge!

## CHAPTER 1

## Gabriel Visits Zacharias

Over 700 years had passed since the prophet Isaiah predicted the coming of the Messiah. Back then, the Hebrew people didn't know that His Name would be Jesus - they just knew that someday God would send them a Saviour.

Over the years, many people had forgotten about God's promise to send the Saviour, but Zacharias the priest was different. He and his wife, Elisabeth, served God the best way that they knew how, and always put Him first in their lives.

Zacharias and Elisabeth had always wanted to have children, but they were never able to. It was a sad thing for them, but they kept believing in God and looking for the Messiah to come. Then one day everything changed.

Zacharias was in the temple burning incense when suddenly, an Angel of the Lord appeared. Zacharias was terrified, but the Angel said, "Fear not, Zacharias: for thy prayer is heard; and thy wife Elisabeth shall bear thee a son, and thou shall call his name John."

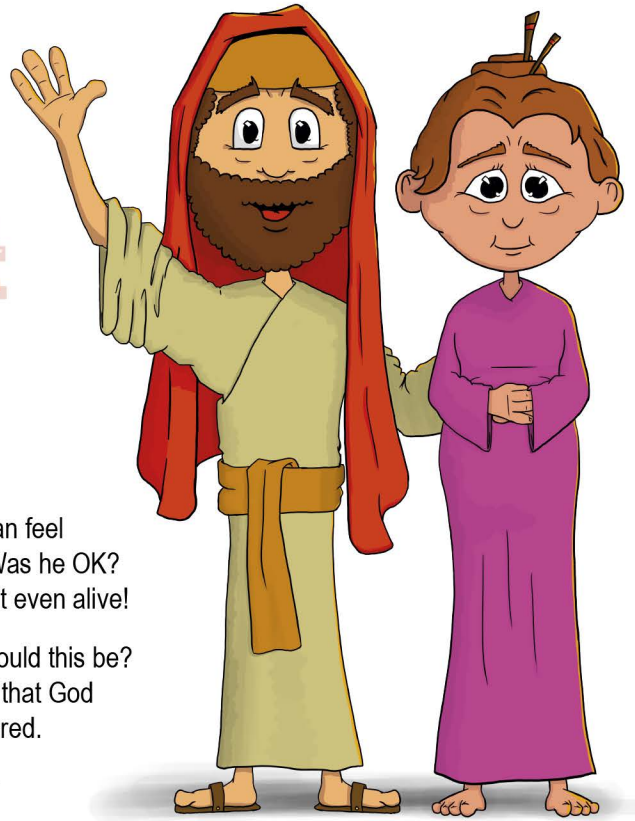

The Angel told Zacharias all about the special son that he was to have. As the Angel finished speaking, Zacharias asked him how he would know that this was the truth, because he and his wife were too old to have children. The Angel told Zacharias that because he questioned his Word, he would not be able to speak until his son was born.

Zacharias left the temple and headed for home. He must have wondered how he was going to tell his wife that they were going to have a son. Would she believe him? Would she think he was crazy? How was he even going to talk to her? He couldn't speak!

Zacharias hurried home to let his wife know about the incredible visit he just had with the Angel, Gabriel. We don't know exactly how he told her about his experience, but he must have figured something out!

# Elisabeth And John The Baptist

It wasn't long before Elisabeth was going to be a mommy. After years and years of being married to Zacharias, she was finally going to have a child. She must have been really excited, but after a while she noticed that something was wrong.

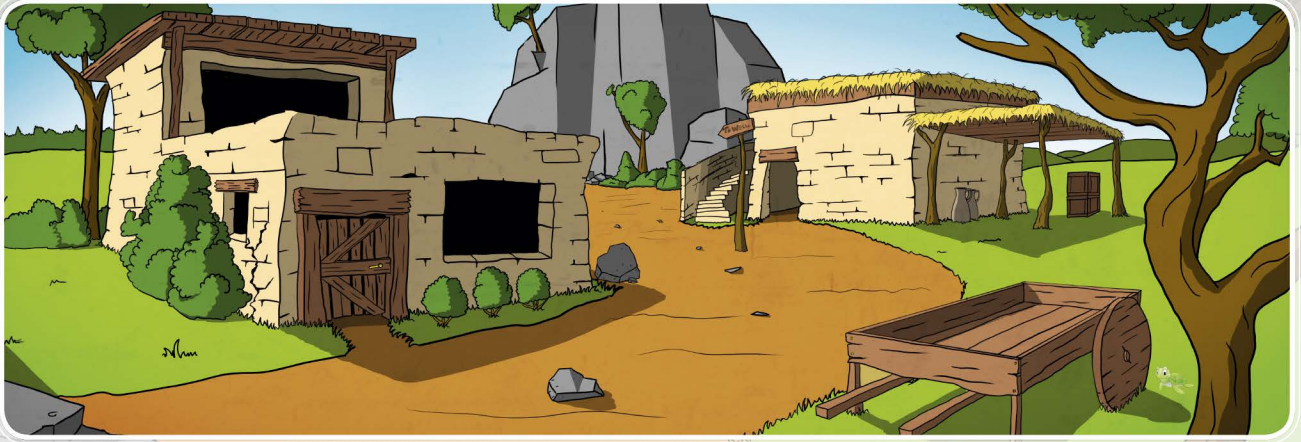

Normally, when a baby is in his mommy's tummy, the mommy can feel him kicking around. But Elisabeth hadn't felt him moving at all. Was he OK? Maybe there was something wrong with him, or maybe he wasn't even alive!

As each day passed, she became more and more afraid. How could this be? She knew that an Angel had visited her husband, and she knew that God was in control, so why wasn't her baby moving? She was so scared.

Elisabeth and Zacharias prayed and prayed, but the baby never moved. They couldn't understand why this was happening, but the two believers kept their faith. They knew that, somehow, God would find a way to help the little baby that was in Elisabeth's tummy. He would keep His promise, and somehow, little John would be just fine.

# Mary

Not all that far from where Zacharias and Elisabeth lived was a little town in Galilee called Nazareth. It was just a small town where not very many important things usually happened, but that was about to change.

You see, there was a young girl named Mary that lived in Nazareth. Mary was a really sweet girl who was planning to marry a good man named Joseph. Both Mary and Joseph loved God and served Him the best they could. They knew that God loved them back, and had blessed them, but they didn't yet know just how blessed they really were.

One very special morning, something happened to young Mary. She was on her way to the city well in Nazareth, when suddenly a great Light flashed and an Angel appeared.

"Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women." It was the Angel Gabriel, and he was speaking to Mary!

She was really scared, and wondered what the Angel's Words meant.

"Fear not, Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a Son and shalt call His name JESUS."

Wow! The Angel was telling Mary that she was going to have a Son! The same Angel who came to Zacharias had come to Mary to deliver the great news!

The Angel kept talking to Mary and told her all about the Boy that she would have. He also told her that her cousin Elisabeth was going to have a son, too!

Mary had to go see her right away!

Mary got to Elisabeth's house and began to tell her all about how the Angel had visited her. Elisabeth was amazed. Something supernatural was definitely happening, but Elisabeth still had a secret. Way deep down inside she knew that her son had not moved yet, and she was afraid that he was dead.

Then everything changed. Mary told Elisabeth that the Angel told her to name her Son, "Jesus!" Just then, little baby John sprang to life! It was wonderful! Little John was alive and filled with the Holy Spirit while he was still in his mommy's tummy!

# John and Jesus

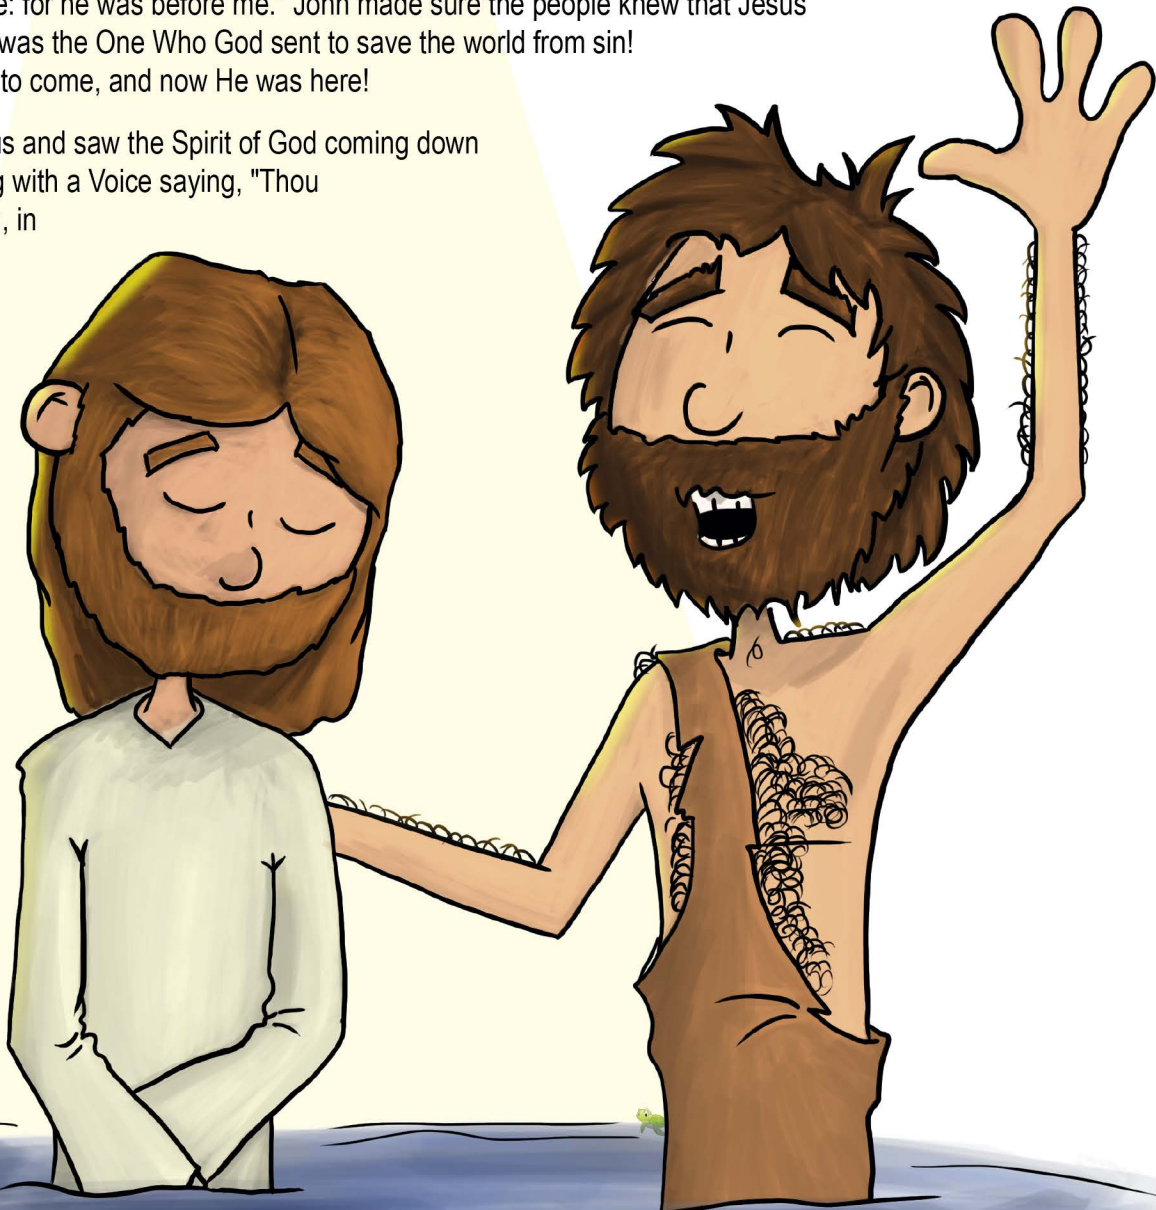

Many years passed, and Jesus and John were both grown up. John became a mighty prophet of God who lived out in the harsh desert. He was a rugged man who ate wild honey and locusts, and wore camel skin clothes! He preached to people to repent, and he told them that the Messiah was coming soon! John's job was to get the people ready for the Messiah to come, and he would do whatever it took to do his job!

Meanwhile, back in the town of Nazareth, Jesus was also grown up. Everyone knew that He was Someone very special, but they probably didn't completely understand just how special He was!

One day, John was baptizing in the Jordan River when a Man walked up to him. John immediately knew that this was the One that he had been preaching about. John knew that the Messiah would be coming, but now He was finally here! It was Jesus!

John cried out to the people, "This is he of whom I said, After me cometh a man which is preferred before me: for he was before me." John made sure the people knew that Jesus had come, and He was the One Who God sent to save the world from sin! It was time for Him to come, and now He was here!

John baptized Jesus and saw the Spirit of God coming down from Heaven, along with a Voice saying, "Thou art my beloved Son, in whom I am well pleased." It was an incredible day that will never be forgotten!

# THE OHIO RIVER

Years and years had passed since Jesus rose from the grave. Throughout those years Jesus sent special people to earth to help lead and guide God's chosen children. Men like Martin Luther came to pull people away from false churches. God sent John Wesley to start a revival that would pull entire countries back to Jesus. God used great men, but it wasn't quite time for Him to return to earth yet.

Just like God used John the Baptist to get people ready for Jesus to come the first time, He would use a very special man of God to make ready for His Second Coming. It would be someone with the same spirit as Elijah and John the Baptist.

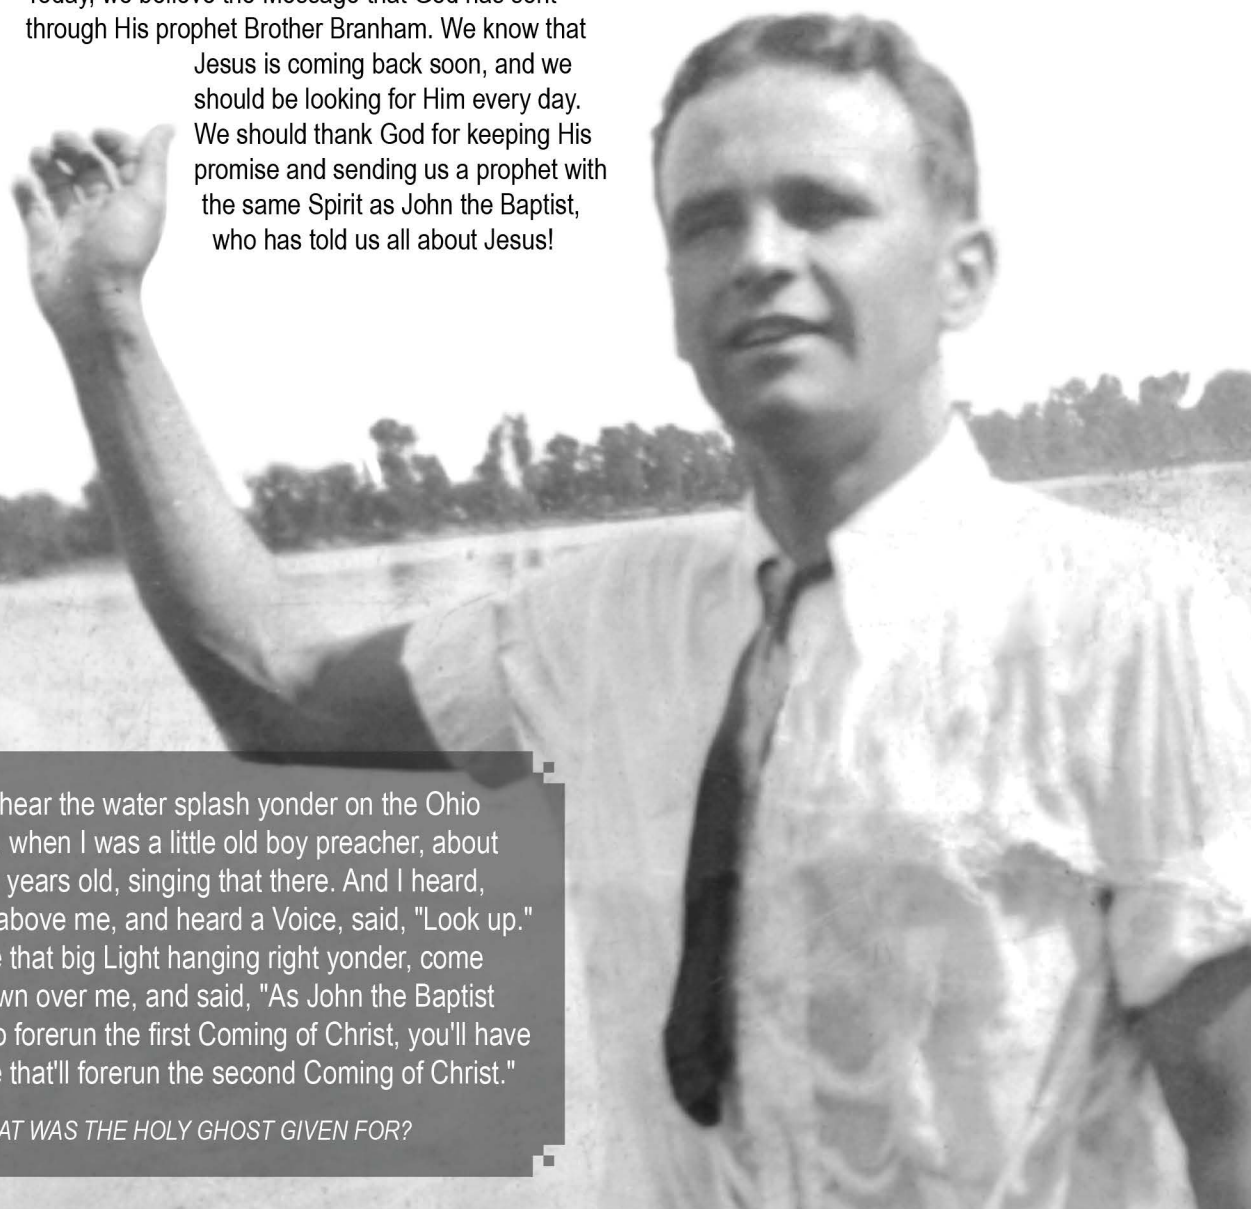

One hot day in June, 1933, Brother Branham was standing in the Ohio River, baptizing people. Thousands of people had attended his revival, and now hundreds stood in line to be baptized by this young man of God.

Just as Brother Branham was getting ready to baptize a young man, Something told him to "Look up!" Suddenly, a Light came down from Heaven. The people began to scream, and some even fainted. Then came a Voice: "As John the Baptist was sent for a forerunner of the first coming of Jesus Christ, your Message will bring the second Coming of Jesus Christ."

You can hear Brother Branham tell this story on the tape, *Watchman, What Of The Night?* 60-0722

It was finally time for Christ to return again, and God had once again sent a very special man to announce it!

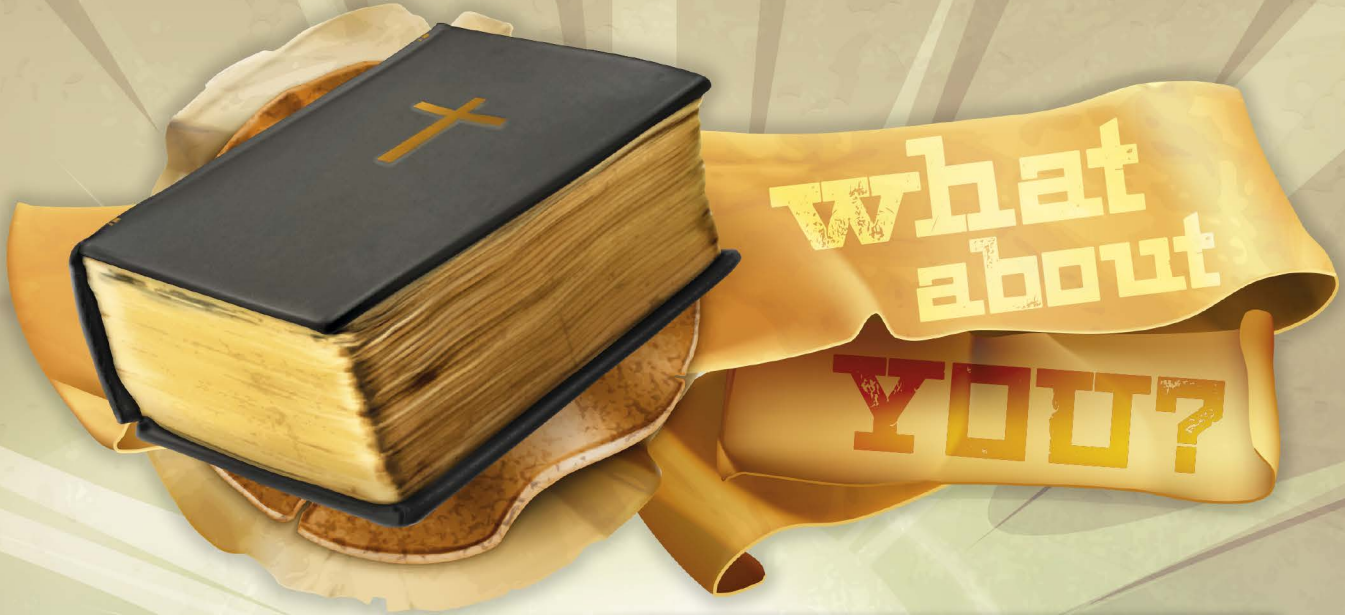

Today, we believe the Message that God has sent through His prophet Brother Branham. We know that Jesus is coming back soon, and we should be looking for Him every day. We should thank God for keeping His promise and sending us a prophet with the same Spirit as John the Baptist, who has told us all about Jesus!

“ I can hear the water splash yonder on the Ohio River, when I was a little old boy preacher, about twenty-two years old, singing that there. And I heard, looked up above me, and heard a Voice, said, "Look up." Here come that big Light hanging right yonder, come moving down over me, and said, "As John the Baptist was sent to forerun the first Coming of Christ, you'll have a Message that'll forerun the second Coming of Christ.”

59-1217 WHAT WAS THE HOLY GHOST GIVEN FOR?

## What Would You Do?

**T**ry to pretend that you lived during the time of John the Baptist. Pretend that you went out to hear him speak to people while he was baptizing them in the Jordan River. Imagine you got to see the wonderful miracles that he did, and you heard him speak about One that was coming that was even greater than him.

Every time he spoke, he told the people to get ready for the Messiah, He is coming soon!

Would you have believed John? Would you have been looking for the Messiah to come?

What about today? Jesus told us that He would return and take us to our new Home that He has made for us. It will be such a wonderful time, that we should be really excited about.

But, before He returns, the Lord promised to send a prophet with the spirit of

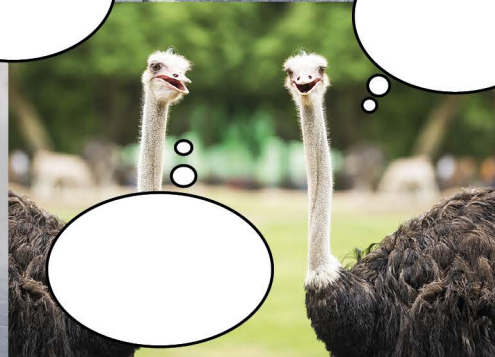

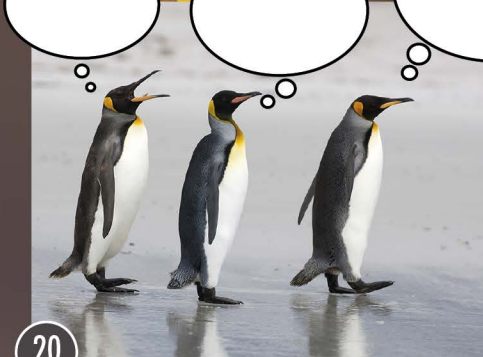

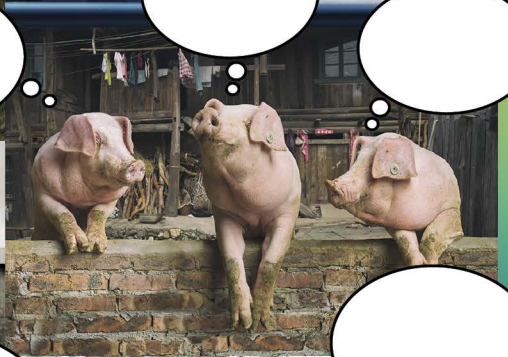

Elijah to make the people ready. He would be a man of the wilderness, just like Elijah and John the Baptist, and he would come to introduce the return of Jesus! Just like John the Baptist was sent to prepare the way for Jesus' first Coming, Brother Branham was sent to get us ready for Jesus to come again!

We are just like those who heard John the Baptist preach. They had to decide if they would believe him, and we have to decide if we will believe Brother Branham. He is telling us to get ready, Jesus is coming!

# What Are We Thinking?

# COSTA RICA

The Message has been in Costa Rica for a long time. For many years it was distributed from a local church, but in April of 2011, The Voice of God Recordings opened its first office there.

Compared to some other countries, the work there is still pretty small, with only about 1,000 believers, but the believers in Costa Rica are spreading the Word, and things are really starting to grow!

Costa Rica is divided into seven provinces; San Jose, Alajuela, Heredia, Cartago, Guanacaste, Puntarenas, and Limon. Its area slightly exceeds that of Vermont and New Hampshire combined.

## FOOD:

The main Costa Rican diet is rice and black beans, along with bread, chicken or beef, vegetables, salads, and fruits. Rice and beans mixed together for breakfast is called GALLO PINTO.

## VOLCANOES!

There are more than 121 volcanoes in Costa Rica, and seven of them are active. Poas Volcano has the second widest crater in the world, and Arenal is one of the ten most active volcanoes in the world.

## ICE CREAM:

Ice cream flavors in Costa Rica are interesting and sometimes slightly crazy. Flavors include coconut, goat cheese, wild blackberry, peanut, sour cream, chipotle blueberry, chocolate almond, and more.

## INSECTS:

There are about 750,000 species of insects that live in Costa Rica, including about 20,000 different types of spiders!

## HUMMING BIRDS

There are about 52 species of hummingbirds in Costa Rica, making Costa Rica a true hummingbird capital.

Believers in the country of Trinidad get to see sea turtles up close and personal! Every year sea turtles use Trinidad's beautiful

beaches as a place to lay their eggs. Here are some pictures of some Cub Corner kids getting a good look at these awesome creatures!

This baby Leatherback turtle is starting off really small, but when it grows up it can weigh over 2,000lbs!

Leatherback sea turtles can swim faster than 20 miles per hour! But I don't think she is getting anywhere very fast on the sand!

Sea Turtles can hold their breath for over 30 minutes!

They eat jellyfish, shrimp, crab, fish, sponges, algae, mollusks, snails, and whatever else is in the refrigerator.

Some sea turtles dive down over 1,000 feet deep!

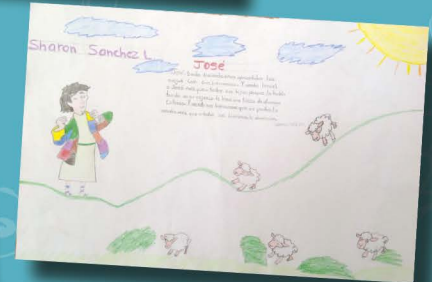

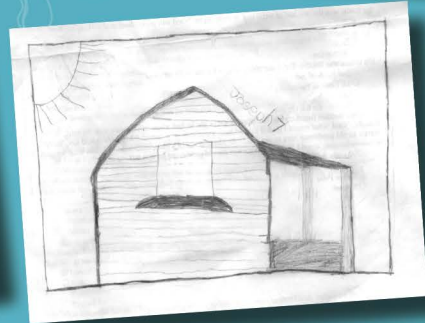

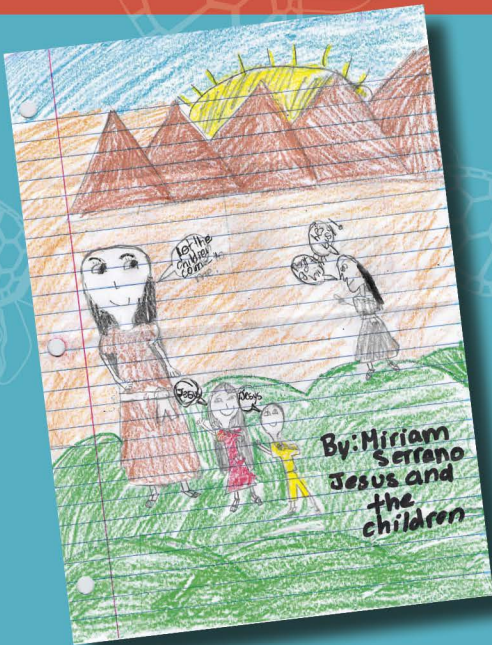

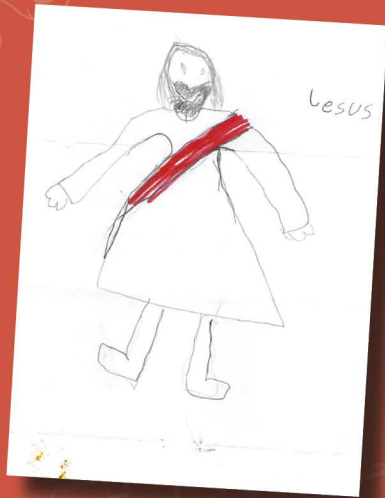

Sea turtles can either sleep on the surface of the water or on the sea floor.
